

# GO TO CHURCH TOMORROW!

The most critical time in the world's history is now facing America. It is of paramount importance that every man, woman and child live right, think right and act right.

In the Sunday School and at church services is where the lesson of right living is taught.

## A Special Appeal Tomorrow From Federal Food Admin- istrator Herbert Hoover Will Be Read in Sunday Schools and From All Pulpits

It Is the Duty of Every Patriotic Man, Woman and Child to Hear It!

### Wheat Must Be Conserved. The Situation Is the Most Serious Ever Experienced

Consumption of wheat must be practically stopped until the next harvest. To do this is a privilege, not a sacrifice. All cannot use wheat substitutes entirely, therefore to meet the requirements abroad and to prevent serious suffering at home it is imperative that ALL those who can SHALL ABSTAIN from wheat and wheat products until the next harvest.
